LATIS

Terms of Use

Intellectual Property Rights

The intellectual property rights (and copyright) of the TMfS/TELMoS model, interface, data and procedures remain with Transport Scotland.

The intellectual property rights (and copyright) of the Cube and related software remain with Citilabs.

The user shall have no licence to copy or use any of the model, interface, data or procedures outside terms agreed with Transport Scotland.

Licences

The TMfS/TELMoS model, interface, data and procedures are provided under a general agreement that they will be used only for Transport Scotland, Scottish Executive and/or Scottish Local Authority and Regional Transport Partnership projects.

The CUBE software licences are not part of this agreement and the relevant licences are assumed to have been obtained from Citilabs.

Limitations

Transport Scotland shall not incur any liability under, or in connection with, this release of the TMfS/TELMoS model, interface, data or procedures, to the extent that any failure to perform any or all of its functions has been caused by, or contributed to by, any force majeure event or circumstances beyond reasonable control of Transport Scotland.

The TMfS/TELMoS model, interface, data and procedures are provided in good faith and the user accepts full responsibility to satisfy itself of the accuracy, reliability and completeness of the information and no responsibility is accepted to any third party for the whole or any part of its content. No part of the contents nor any reference thereto may be included in any published document, circular or statement, nor published in any way without Transport Scotland's prior written agreement of the form and context of such text.
