© CROWN COPYRIGHT

Before using this drawing, confirm that it has not been superseded.

NOTES: 1. The signs may be placed to indicate the distance in hundreds of yards to a point where the maximum speed limit for cars reduces by at least 20 mph.

2. For details of the speed limit roundel, see DfT drawing P 670. The speed limit shown is varied as required using digits of x-height 160 mm.

3. The slope of the bars is reversed when the signs are placed on the right-hand side of the carriageway.

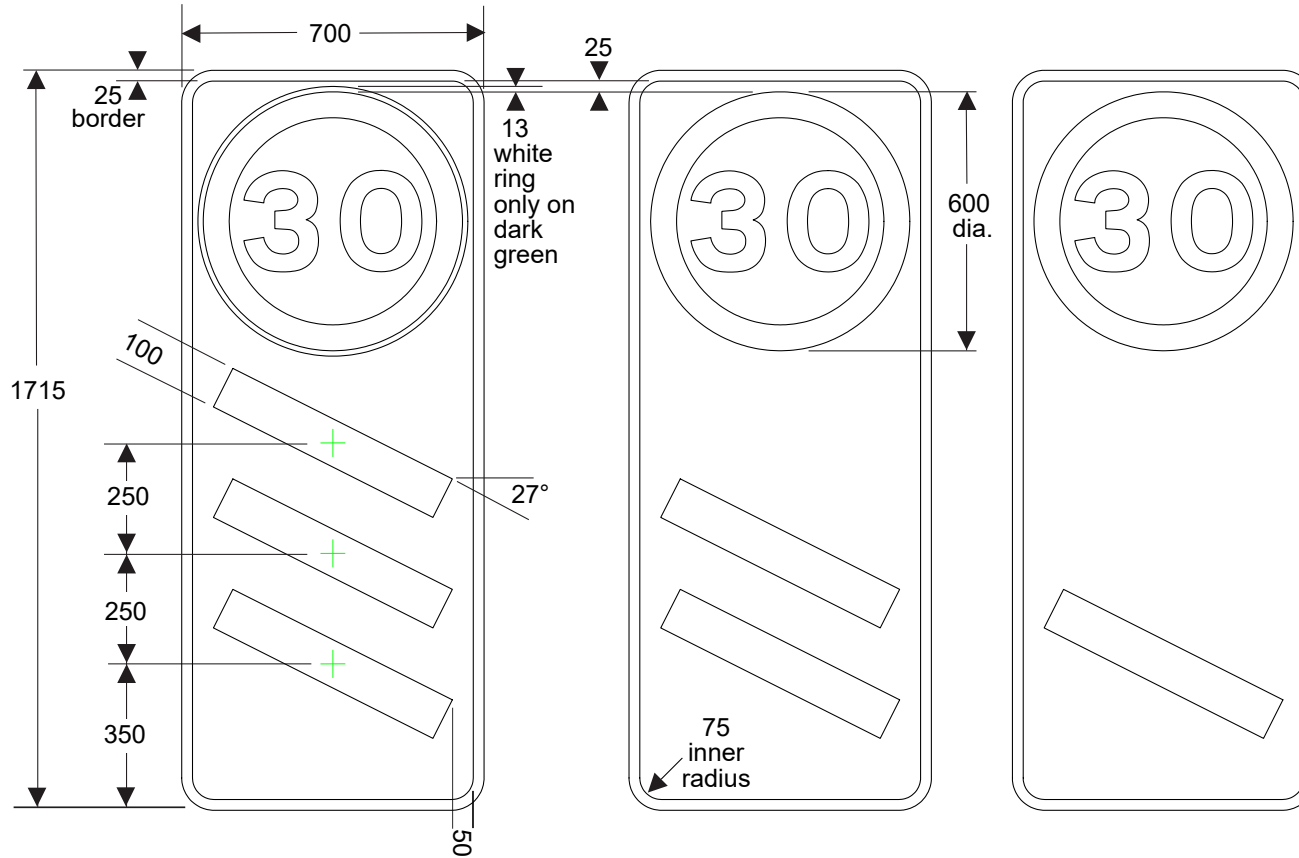

4. COLOURS:

Speed limit roundel: BLACK numerals on WHITE with outer RED border. A WHITE outer border 13 mm wide surrounds this only for a dark green background.

Main background:

DARK GREEN with WHITE bars and border on Primary routes

WHITE with BLACK bars and border on Non-primary routes.
