31st August 2012

For the Attention of the Owner/Occupier

Dear Sirs,

Forth Replacement Crossing – Fife ITS Contract

Update on Intention to Progress Site Works – Gantry Number 08 (Middlebank)

Further to previous communications, I can confirm that the works have progressed well on the M90 road network corridor associated with the Fife ITS Contract.

I thought it appropriate to write and provide an update on our intentions with regards to ongoing construction works specifically associated with Gantry 08 adjacent to Middlebank.

Major work elements have been completed at this location including but not limited to mine consolidation works, piling works, concrete foundations, maintenance hard-standings, road surfacing, safety barriers and erection of gantry supports.

As you may be aware, the temporary mine consolidation works compound within fields on the southbound side of the M90 has been removed. The remaining works at this location involve reinstatement of the embankment slope and erection of the main gantry beam with associated variable message signs on the southbound carriageway. Access shall be taken from the existing road network corridor. Reinstatement of the embankment slope is scheduled to start week commencing 3rd September 2012 and should be completed within 1 week through nightshift working. Erection of the gantry (G08) is scheduled for erection during September and we anticipate this activity will be completed within 1-2 nightshift operations.

The Fife ITS works have been carefully programmed in partnership with Transport Scotland, Fife Council, Forth Estuary Transport Authority (FETA), the Police and emergency services, to minimise traffic disruption and impact on surrounding areas.

We shall continue to monitor our activities and potential construction impacts, and take all reasonable steps to minimise disturbance. We will continue to communicate and engage with you via various media to ensure that any inconvenience is kept to a minimum.

COMPANY DETAILS:

GRAHAM Construction is a trading style of John Graham Construction Limited

REGISTERED NO:

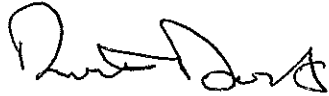

NI 3503 registered office – 5 Ballygowan Road, Hillsborough, Co Down BT26 6HX
John Graham Construction Limited is a wholly owned subsidiary of
John Graham Holdings Limited 5 Ballygowan Road, Hillsborough, Co Down BT26 6HX

“GRAHAM” is a Registered Trade Mark of the Graham Group (No. 2518715)
