

There are 9 junctions along the AWPR which in order from south to north are:

#### Stonehaven Junction (A90)

New roundabout to the north of the A90 gives access to Fastlink. Slip roads to the south of the A90 connect to a signal controlled junction on the B979.

#### Charleston Junction (A956)

Signal controlled diamond junction connecting to the A956 and AWPR.

**Cleanhill Junction**  
Roundabout providing a connection between the Southern Leg and Fastlink.

#### Milltimber Junction (A93)

Loop slip roads connecting to a roundabout, with a link to a signal controlled junction at the A93 North Deeside Road.

**South Kingswells (A944)**  
Grade separated roundabout with AWPR crossing over the A944.
