

Our Ref: FRC-FITS-JG-COR-RD20A

22nd November 2011

The Owner/Occupier

Dear Sir/Madam,

Forth Replacement Crossing – Fife ITS Contract

Update on Intention to Progress Site Works – Gantry Numbers 1 and 2

Further to previous communications, I can confirm that the works are currently progressing steadily at various locations on the road network corridor associated with the Fife ITS Contract.

I thought it appropriate to write and provide an update on our intentions with regards to commencement of construction activities specifically associated with Gantry 1 and Gantry 2.

Based on our current programme, the preliminary site start on the Northbound Carriageway Side of Gantry 1 adjacent to Craig Street and Gantry 2 adjacent to Park Lea is scheduled for week commencing 5th December 2011.

The permanent works and landscaping proposals are indicated on the attached sketch. Typical work activities at these locations will generally include preliminary site clearance, erection of temporary secure fencing, construction of earth embankments, piling works, concrete foundations, maintenance hardstandings, safety barriers and erection of gantries during spring of 2012.

Work activities on the southbound carriageway side at Gantry 1 are already underway and test piles are scheduled to begin week commencing 28th November 2011.

These works have been carefully programmed in partnership with key stakeholders including Transport Scotland, Fife Council, Forth Estuary Transport Authority (FETA) and the Police, to minimise traffic disruption and impact on surrounding areas. In this regard, to allow the above works to be undertaken safely, the on-slip to the M90 northbound carriageway at Junction 1 Admiralty will be closed between 9:30 am 12th Monday December until 3:30 pm Friday 16th December.

As intimated previously, we shall continue to monitor our activities and potential construction impacts, and take all reasonable steps to minimise disturbance. In addition, we will continue to communicate and engage with you via various media during the above works to ensure that any inconvenience is kept to a minimum.

COMPANY DETAILS:

GRAHAM Construction is a trading style of John Graham (Dromore) Limited

REGISTERED NO:

NI 3503 registered office – 5 Ballygowan Road, Hillsborough, Co Down BT26 6HX
John Graham (Dromore) Limited is a wholly owned subsidiary of
John Graham Holdings Limited 5 Ballygowan Road, Hillsborough, Co Down BT26 6HX

“GRAHAM” is a Registered Trade Mark of the Graham Group (No. 2518715)
