Morrison Construction

Dear Neighbour,

FCBC, the contractor working on the Forth Replacement Crossing main contract on behalf of Transport Scotland, will be carrying out emergency temporary drainage works at the junction of the U221 and the A904 from 8pm on Tuesday 14th August 2012 to 2am on Wednesday 15th August 2012.

Activity description, timing and plant to be deployed

The U221 will be temporarily closed at its junction with the A904 to allow the works to be carried out. This temporary closure will be effective from 7.30pm on Tuesday evening through to 2am the following morning.

Between 8pm and 9pm approximately we shall cut a track through the U221 road surface using a road saw and a hydraulic breaker mounted on an 8 tonne excavator.

Between 9pm on the Tuesday and 2am the following morning we shall excavate to the required depth with an excavator, install a length of pipe, backfill the track and temporarily cover the backfilled excavation with steel roadplates.

We shall temporarily reinstate the road surface with concrete the following day.

Whilst we will make every effort to adhere to the stated programme the dates may alter due to unforeseen circumstances.

The work is an essential part of the overall Forth Replacement Crossing project, which is necessary due to concerns over the long term viability of the existing road bridge. The new crossing will maintain a vital link in the east of Scotland road network which is key to the wider Scottish economy.

We would like to take this opportunity to apologise, in advance, for any inconvenience our activities may cause and also to thank you for your patience and consideration to date.

For up to date information on the project please see Transport Scotland's FRC project website www.forthreplacementcrossing.info.

Should you have any queries, please contact our email enquiries@forthreplacementcrossing.info or our Hotline on 0800 078 6910.

In addition, our temporary Contact and Education Centre, currently located in the Forth Road Bridge offices on the south side of the existing Forth Road Bridge is manned 09:00hrs to 17:30hrs, Monday to Friday, and Saturdays 10:00hrs to 16:00hrs to deal with enquiries and to supply information.

Issued to – Residents in the vicinity of Echline Corner, Queensferry.

Issue date –Monday 13th August 2012
