

DRAGADOS | AMERICAN BRIDGE INTERNATIONAL
HOCHTIEF | MORRISON CONSTRUCTION

Dear Neighbour,

We are writing to inform you of planned remedial works on the Queensferry Crossing involving resurfacing works around the expansion joints at the north and south ends of the bridge on both carriageways.

These works will commence at 22:00 hours on Thursday 30th November and finish by 06:00 hours on Wednesday 6th December 2017.

The expansion joint works planned for the night shifts will include road planing and preparation works for re-laying the surfacing either side of both north and south expansion joints. The southbound carriageway joints will be carried out first followed by the northbound carriageway joints. Surfacing works, including joint preparation works, are planned to be carried out during normal day time hours. Surfacing will be laid in daylight to ensure optimum level control.

The plant involved during the night shift works will include road planer, lorries, road sweeper and small hand tools.

We would like to take this opportunity to apologise, in advance, for any inconvenience our activities may cause and also to thank you for your patience and consideration to date.

The times indicated can be influenced by many factors and may change without warning near or during the time of execution. Also, the overall duration of each element may require to be extended to achieve completion should unforeseen circumstances be encountered.

For up to date information on the project please see Transport Scotland's FRC project website www.forthreplacementcrossing.info. Should you have any queries, please contact our email enquiries@forthreplacementcrossing.info or our Hotline on 0800 078 6910.

In addition, our Contact and Education Centre, located adjacent to the Forth Road Bridge offices on the south side of the Forth Road Bridge, is manned 09:00hrs to 17:00hrs Monday to Thursday and 09:00hrs to 16:00hrs on Fridays to deal with enquiries and to supply information.
