

DMRB Stage 3 Environmental Statement
Volume 2: Technical Appendices

December 2017

Contents

Volume 2: Technical Appendices

This document supports Volume 1: Main Report

Chapter 2	Need for the Scheme
Appendix 2.1	Strategic Environmental Design Principles
Appendix 2.2	Strategic Environmental Assessment (SEA) Monitoring Framework
Chapter 5	The Proposed Scheme
Appendix 5.1	Construction Details
Chapter 6	Overview of Assessment Process
Appendix 6.1	Note on Mitigation Planting Mixes
Chapter 7	Consultation
Appendix 7.1	Response to ESG DMRB Stage 2 Consultation Comments
Chapter 8	People and Communities, Community and Private Assets
Appendix 8.1	Highland Estate Potential and Overall Impacts on Agriculture, Sporting and Forestry Interests
Appendix 8.2	Highland Estate Proforma
Chapter 9	People and Communities, Effects on all Travellers
Appendix 9.1	NMU Amenity Value
Chapter 10	Geology, Soils and Groundwater
Appendix 10.1	Peat Survey Information
Appendix 10.2	Groundwater Dependent Terrestrial Ecosystems
Appendix 10.3	Groundwater Abstractions and Private Water Supplies
Appendix 10.4	Potential Contamination Sources
Appendix 10.5	Preliminary Peat Landslide Risk Assessment
Appendix 10.6	Outline Peat Management Plan
Chapter 11	Road Drainage and the Water Environment
Appendix 11.1	Water Features Survey
Appendix 11.2	Water Quality Assessment
Appendix 11.3	Flood Risk Assessment
Appendix 11.4	Hydromorphology Assessment
Chapter 12	Ecology and Nature Conservation
Appendix 12.1	Baseline Determination of Importance
Appendix 12.2	Preliminary Ecological Appraisal
Appendix 12.3	Phase 2 Habitat Survey (NVC)
Appendix 12.4	Breeding Bird Survey
Appendix 12.5	Protected Vertebrate Survey
Appendix 12.6	Protected Vertebrate Update Survey
Appendix 12.7	Fish Habitat Assessment
Appendix 12.8	Freshwater Pearl Mussel *Confidential Appendix
Appendix 12.9	Deer Vehicle Collision Study
Appendix 12.10	Ecology Noise Model Results
Appendix 12.11	Outline Habitat Management Plan
Appendix 12.12	Outline Species Protection Plan

Chapter 13	Landscape
Appendix 13.1	Methodology for Producing the Theoretical Zone of Visual Influence
Appendix 13.2	Local Landscape Character Assessment Methodology and Field Sheets
Appendix 13.3	Landscape Objectives
Appendix 13.4	Cairngorms National Park Special Landscape Qualities Assessment
Chapter 14	Visual
Appendix 14.1	Methodology for Producing the Theoretical Zone of Visual Influence
Chapter 15	Cultural Heritage
Appendix 15.1	Desk Based Survey
Chapter 16	Air Quality
Appendix 16.1	Construction Assessment Methodology
Appendix 16.2	Air Quality Monitoring Survey Data
Appendix 16.3	Air Quality Modelling Results
Chapter 17	Noise and Vibration
Appendix 17.1	Introduction to Noise
Appendix 17.2	Baseline Noise Survey
Appendix 17.3	Construction Noise Data
Appendix 17.4	Road Traffic Noise Modelling Results
Chapter 18	Materials
Appendix 18.1	Waste Sites and Capacities Within the Study Area
Chapter 19	Policies and Plans
Appendix 19.1	Assessment of Development Plan Policy Compliance
Appendix 19.2	Planning Policy Context for Environmental Assessment
Chapter 20	Cumulative Effects
Appendix 20.1	List of Projects Considered for Cumulative Impact Assessment
